

We have seen an abundance of calls \ emails regarding rent increases this month, and we don't want to lose any, so we are asking our landlords to follow this protocol when asking for rent increases:

1. Send an email to: HCV@lynchburghousing.org with your vendor name, the tenant name, the property address and the increase amounts.
2. Please mail us a copy of your increase too:

All increases are subject to rent reasonableness and approval.
